

What is claimed is:

1. A cable keeper comprising:
 - a sheet of flexible material having at least one edge;
 - a plurality of openings spaced adjacent to the edge, each opening having a slot extending between the opening and the edge to allow a passage of at least one cable; and
 - an adhesive disposed on the sheet for adhering the cable keeper to an object.
2. The cable keeper according to claim 1 wherein the cable keeper is comprised of a polymer.
3. The cable keeper according to claim 2 wherein the polymer is selected from the group consisting of polyester, polyethylene and polypropylene.
4. The cable keeper according to claim 1 wherein the sheet is comprised of cardboard stock.
5. The cable keeper according to claim 1 wherein the adhesive is applied to the sheet as a liquid.
6. The cable keeper according to claim 1 wherein the adhesive is an adhesive tape.

7. The cable keeper according to claim 6 wherein the adhesive is selected from the group consisting of an acrylic and a synthetic rubber.
8. The cable keeper according to claim 1 further comprising a releasable liner to prevent inadvertent adhesion.
9. The cable keeper according to claim 1 wherein each slot is chamfered.
10. The cable keeper according to claim 1 further comprising a length L where L is less than about 25 cm.
11. The cable keeper according to claim 10 wherein L is less than about 15 cm.
12. The cable keeper according to claim 1 further comprising a length L where L is greater than about 25 cm.
13. The cable keeper according to claim 12 wherein L is greater than about 1 meter.
14. The cable keeper according to claim 11 further comprising an aspect ratio greater than about 1.

15. The cable keeper according to claim 12 further comprising an aspect ratio greater than about 5.
16. The cable keeper according to claim 13 further comprising an aspect ratio greater than about 20.
18. The cable keeper according to claim 1 wherein at least a portion of the sheet is circular.
19. The cable keeper according to claim 6 wherein the adhesive has an adhesive strength greater than about 80 N/100 mm.
20. The cable keeper according to claim 6 wherein the adhesive has an adhesive strength greater than about 100 N/100 mm.
